The Lemon Grove Kiwanianes have been chosen to provide the decorations for the Armed Forces Salute Ball to be held May 16 at the El Cortez hotel, according to Mrs. Harold Hensley, chairman of the Decorations Committee.

Members of the Kiwanis California, Nevada, Hawaii District are hosts annually to invited personnel of the various branches of the armed forces stationed locally, according to J. T. Norton, past Governor of the CalNevHa District.

The Salute Ball is a dinner dance, scheduled for the Caribbean Room at 7:30 p. m. according to Mrs. Verne Officer, president of the L. G. Kiwanianes.

The decor is being worked out with Mrs. H. K. Thurlund, operator of the Grove Supply.

Appreciation Days Contest Deadline Nearing In L.G.

The first prize award of the coming Lemon Grove Appreciation Days will be made Saturday, May 23, Don Johns, chairman of the Merchants Division of the L.G. Chamber of Commerce said this week.

It will be part of an Old Fashioned Days project in which a cavalcade of yesteryear cars will visit Lemon Grove's business district.

The old-fashioned car tour is sponsored by the program department of channel 10.

Appreciation Days prizes are being awarded by local business firms with as much as \$1,000 being made available for prizes, Johns said.

Participation of business firms is nearing a deadline, he said. Because tickets must be distributed by the individual firms well in advance of the contest, a cut-off date has been set for later in the month. Firms wishing to get more information or to participate should call Johns at 465-3800 or the Chamber office at 469-9621.

Appreciation Days will continue for several months, Johns said. Prizes will be awarded every week with a jackpot prize available every week. "In some towns where the event has been held the prize was as much as \$2,000," he said. The total will depend on the number of firms participating, he pointed out.

Lemon Grove shoppers will be issued participation coupons soon after the cut-off date for the firms putting the contest on.

Sgt. Ryan of L.G. Sheriff's Office Tells of Work at Men's Club Meeting

Trapping dope peddlers, outwitting armed robbers, tracking down stolen bicycles are all in a day's work for Sgt. Robert Ryan of the Lemon Grove Sheriff's Office.

At the Friday meeting of the Lemon Grove Men's Club Ryan told of some of his experiences.

In following up a report of two youths burglarizing homes in the Carlton Hills area, Ryan found himself confronting an armed youth in the patio of a home. "I told him someone would get killed," Ryan said. The youth then threw the gun across the patio.

Ryan said that while this was going on two women were

Spring Valley Strikes Out In 2nd Incorporation Try

Spring Valley has missed its second chance to vote on incorporation, it was learned this week. Forty petitions turned in to the County Board of Supervisors last week, lacked enough signers, according to John Mc-

Quilken, county assessor. He said, upon checking the petitions, there were only 18.5 per cent of the Spring Valley area's property owners' signatures. Needed were 25 per cent of the owners, representing 25 per cent of the assessed valuation.

McQuilken said there were just 2,040 signers out of a possible 11,034 landowners. The City of Spring Valley would cover about ten square miles.

Mrs. Betty Seymour Robinson, long-time Spring Valleyite, who headed the incorporation committee for seven months said she had no comment to make at this time.

Proponents for incorporation will have to wait until after September of 1965, to circulate petitions again. The first defeat for incorporating Spring Valley was in 1961, when the proposition failed to get to the polls.

Ryan said that whenever local residents need help there is always someone available through the sheriff's office.

Supervisor Dave Bird who is campaigning for re-election to the 2nd District post, will speak at Friday's meeting of the men's club. The meeting will be at noon at Michaels Restaurant, Lemon Grove. Bird's subject will be "Your County Government".

Officer's Driveway Set Afire

Revenge is believed to have been the motive for a driveway fire at the home of William Francis DeVaney, 35, a policeman on the National City force. DeVaney, who lives at 651 Worthington, Spring Valley, said someone poured an inflammable fluid on his driveway within 1 1/2 feet of his house. When he saw the flames they were four feet high. He suspects that it was an act of revenge performed by someone whose case he might have handled.

Henry Reib, of 2268 S. Bonita, Lemon Grove, suffered a loss of \$110 worth of electronic equipment, he told the sheriff's office last week.

He said that someone had entered his basement and took two boxes of resistors, two microphones, a radio transmitter, and 5 radio tubes.

INCORPORATION NEED EXCEEDED

2,811 Petitioners Sign For Election

Petitions, bearing the signatures of 2,811 Lemon Grove property owners, were filed with the County Board of Supervisors clerk Friday afternoon, asking for an election on incorporating Lemon Grove.

The petitions, containing 239 more names than the estimated 2,572 needed, will be checked by County Assessor John McQuilken for adequacy. The petitions were filed by Frank Armstrong, a L.G. attorney who had been the chief proponent of the campaign for calling an election.

Proponents started circulating petitions seven months ago. They filed a notice of intention to circulate them a couple of days before the law establishing the Local Agency Formation Commission went into effect.

As a result, the movement did not fall within the control of LAFC which can veto proposals if it feels that such proposals do not serve the public interest. With the granting of a month's extension in March, the Board of Supervisors announced that April 17 would be the final date for filing the petitions and that no additional extensions would be given.

Armstrong filed the petitions 15 minutes before the County offices closed Friday.

Assessed Valuation

Armstrong said assessed valuation of Lemon Grove is \$9,100,000 and that he was certain that the property owners who signed petitions owned property in excess of the \$2,300,000. He said the total will exceed the 25 per cent requirement.

If the petitions are found sufficient, a public hearing will be called by the Supervisors at which exclusions will be considered. After that, the Supervisors will set a date for the election.

Two groups within the five square-mile area are said to be circulating petitions of exclusion. One is in the Vista La Mesa area and the other in the American Homes sector.

Both groups are separated from Lemon Grove proper by Highway 94.

Armstrong foresees Lemon Grove, if it incorporates, as a city of nearly 30,000 persons.

If the election fails, the issue will have to be cleared through LAFC and two years

will have to elapse before it will be considered again.

Armstrong asked that the following letters be published:

Dear Editor:

Lemon Grove is on the way to becoming a city in its own rights, now that 2811 signatures have been obtained on the Petition for Incorporation which was filed with the County Board of Supervisors April 17, 1964. The required number is 2572 signatures so we feel we are within the requirement.

We wish to take this means of thanking all of the home owners for their cooperation in this effort.

We will be advised of the results within thirty days.

GOD'S MINUTE

REV. H. C. BAKKEN

"HE IS RISEN"

Man is disqualified both by his birth outside the Kingdom of God and by his sin from justifying himself. Jesus Christ rose from the dead in order that He might ascend to the Father to lay His sacrifice there as the grounds of our justification. Justification is the forensic act of God whereby He declares the penitent sinner to be acquitted. You can be acquitted, because Christ paid your debt.

S. V. Man Booked

Wayne Brennan Anderson, 26, of 9819 Ivanhoe st., Spring Valley, was booked at County Jail Wednesday after being charged with drunk driving by Sheriff's Deputies Delbert Lindberg and Norman Crawford who say they followed his 1955 Cadillac down Sweetwater and over Jamacha rd. at speeds in excess of 80 miles an hour. They stopped him within a block of his home on Ivanhoe st. at 11:35 p.m. Anderson said he neither heard the siren nor saw the flashing beacon of the sheriff's car.

Check Is Bad

A check given at Mode O'Day's dress shop, 621 Sweetwater rd., Spring Valley, proved to be against a closed account, Janice Cornell, the store operator told the sheriff's department.

The check for \$23 bore the signature of Priscilla Rodriguez.

Two Lose Tools

Tools, including an electric drill, were the loot of a thief Saturday at the home of Enrique J. Grant, 6557 McArthur dr., Lemon Grove. Grant told sheriff's men that the loss amounted to \$40.

Monday, Ellis E. Harris, of 1680 Larwood dr., Lemon Grove, told deputies that he likewise had been burglarized of an electric drill and hand tools. He said his loss was \$35. In both instances the thief had stolen the tools from the garage, entered through an open door.

\$60 Taken From Shop

Larry E. Landon, a shop instructor at Mt. Miguel high school, reported to sheriff's deputies Monday that a cash drawer had been opened by force in the wood-working shop and \$60 in currency was missing. Entry into the shop was gained through a window and a screwdriver was used to force the cash box.

Police Allege Prowling

Sheriff's Deputies Moyer and Lindberg arrested Richard C. Baker, 19, unemployed, no address, when they charged him with prowling at 9362 Campo rd., S. V. The officers quoted Baker as saying, when they apprehended him at 3 a. m.

NEW PRESIDENT—Mrs. Rolan Ruth Taylor of 8780 La Mar st., Spring Valley, was elected president of the Spring Valley Woman's Club, when that group met Wednesday in the Chamber of Commerce hall. Mrs. Taylor was president of the same organization in 1960.

HATFIELD URGES ROADS

John D. Hatfield, Escondido attorney and candidate for 80th District Assembly, stated in an address Tuesday evening before the Alpine Republican Club that San Diego has no complete freeway throughout the county and that the 80th District suffers the most from lack of freeway construction.

Hatfield promised to push for a four-lane highway immediately. He said that other slaughter alleys exist on all three major highways within the 80th District and that action long overdue is required to remedy the situations.

Don't Be 'Baited'

The San Diego Better Business Bureau dumped 232 complaints and 1,715 inquiries concerning unethical auto repair practices onto the desk of Sam Williams recently. Williams, a deputy attorney general was conducting a state hearing in San Diego on charges that some auto repair firms were using misleading advertising for such things as engine rebuilding and brake relining.

Cecil Candler, BBB manager, Claude Brown, deputy and Dick Bradford, an investigator, both of the District Attorney's office, participated in the hearing.

Complaints had to do mostly with "bait advertising" of engine rebuilding jobs. A ring and valve job, for example, advertised for \$70 or so, sometimes costs the car owner five or six times that amount, it was alleged. If the customer balks, the customer is charged \$50 or more to put his engine back together again.

The BBB group suggest that readers contact them (233-7711) before turning their cars over in answer to engine rebuilding advertisers.

A better suggestion, we feel, is ours. Take your car to one of your local repairmen and discuss your problem with him. He will not bait you in on an open-end bid with room for a lot of "extras." He'll tell you what it will cost and that is what your bill will be. Additionally, if a problem develops later, you'll know who to see and where to find him.

Old Columnists Don't Fade

The MOUNTAIN EMPIRE, a weekly newspaper published at Boulevard, California, boasts a columnist named Helen Van Norman. Her column, "Spotlight On Jamul" started out last week on a plaintive note. She asked:

"What Spotlight?"

"I believe that absolutely nothing happened in Jamul this past week. No one phoned to report any doings and everyone I asked said the just didn't know a thing."

"... (let) me know of the new people in the area, birthday parties and all the things that are of interest. I cannot write a column and represent my community without the help of all in the area."

As an old column writer, Helen, we'll solve your problem for you. Just run a list of names of local folks and mis-spell each one of them just a little. You'd be surprised how many people you'll hear from.

You'll also be surprised at what they say!

'round Spring Valley

By Tommy Thomas

It's spring again, you can see signs of it all around Our Valley. It's in the air. The trees are bustin' out all over with beautiful blossoms. And more than anything else, the baseball fields are beginning to hum with activity. Little League, Pony and Colt Leaguers are beginning another season. And, as I recall, our local boys did a good job last season, coming a long way toward winning some pennants.

But winning pennants is a tough job and requires the strength and ability of not only the players, but of their coaches, managers and other adult help. The fans themselves are a big lift to the boys and the bigger the turnout at the games the better the Leaguers feel. Let's all try to give local baseball our full support this season. How about it?

And speaking of our young people... The recreation hall of Sweetwater Lodge out on Jamacha Blvd., could very well be called "Pack-Em-Inn." For that's what's been happening out there the second Saturday night of each month. It seems a new rock band called the "Chevelles" have that certain beat that attracting young crowds not only at Sweetwater Lodge but at several other halls in the county.

The "Chevelles" started rehearsing just last December, and consist of three guitarists from Spring Valley; Don Brown, Roger and Wayne Hulsey. The drummer is Frank Trijello of El Cajon. Not only does this quartet play some of those rock numbers (you'll never remember 2 years from now), but they do a real good job on some of the old standard numbers, such as "Five Foot Two." Asked what kind of beat the young dancers like, one of the musicians replied, "A good steady beat and fast music." He said the Chevelles have a prospect of making a recording.

Incidentally, speaking of music: The song "Fairiest of the Fair," written by yours-truly and piano teacher Lee Clapham, the official number for the Southern California Exposition and Del Mar Fair, is getting a new look this year, by being expanded to a 15-piece orchestration. Lee's doing the honors.

A lot of you neighbors along La Mar street will remember Mr. and Mrs. (Cameron and Nor-

ma) Stevenson, who with their children packed up and went to Colorado not too long ago. But according to the grapevine they sorta miss our nice warm Valley and their many friends.

I hear that Dan Frank of 10288 Ramona dr., is out of the hospital, but will return for more examination and X-rays. We're all keeping a good thought for you Frank.

Scotty Davis, son of Mr. and Mrs. Carl Davis of 8929 La Cresta dr., is home from Grossmont Hospital, and back in school again. I understand Scotty had and allergy. "Best of luck, Scotty."

Our deepest sympathy to Mrs. Floyd Piper of 3475 Helix st., on the recent loss of her young sister.

Mr. and Mrs. (Delano and Hazel) Williams of Space 66, Sweetwater Lodge, celebrated their 48th wedding anniversary on April 4. Married in Parsons, Kansas, they have been in Spring Valley seven years. Del, whose trade was carpentering, is retired from the Sweetwater Union High School District, where he worked for 16 years. Prior to that he was with Arden Dairies for 13 years. The Williams have two sons; Jack of Chula Vista and Frank of Pacific Beach. Six grandchildren bless this family. Hazel Williams said they spent a "quiet anniversary."

Mr. and Mrs. (Howard and Mildred) King, of 9120 Jamacha rd., celebrated their 25th (silver) wedding anniversary on April 21. They were married in Genoa, Illinois, and have been in Spring Valley about 19 years. Howard King worked most of his life around Chicago, in public transportation and the laundry business. Mildred King has been an industrial nurse, having worked in Illinois during the war.

Keep sending me those birthdays and wedding anniversaries.

WARNS ON SOCIALIZATION — George Brassington, M.D., right, Lemon Grove physician-surgeon, greets Dr. Nicholas Nyaradi, former finance minister of Hungary, who addressed a joint meeting of County Medical and Dental Societies in San Diego last week. El Trovador Wins Award in Contest

Mount Miguel high school's El Trovador captured second place in the contest for San Diego county's best high school newspaper.

The award was presented at San Diego State College Journalism Day, April 4. Each school competing submitted, prior to the event, three editions of its newspaper, which were judged on the basis of content, layout, and general appearance.

Dave Lewis, El Trovador editor-in-chief, commented, "The Trov staff is very happy about our State Journalism Day win. We're looking forward to a first next year."

Competition was also held in individual writing events, in which two Miguel journalists placed. Everett DeRoche, El Trovador editorial editor, received a first-place award for the best published column, "From A Student's View." Jean Gustafson, a first-year journalism student, placed third in women's feature writing.

Other Miguel students attending the day-long event were Clara Folk, Larry May, Neil Good, Linda Walker, Steve Sheppard, Bill Essex, Sue Ann Bushue, Janet May, Judy Goodwin, Janet Stewart, Kathy Neel, and Dennis Howell.

110 Students Earn Membership in CSF At Mt. Miguel High

Mount Miguel high school's chapter of the California Scholarship Federation now has 110 members, including 12 life members.

Jim Arsenault, Mike Barth, Barbara Elmore, Bruce Furbush, Bob Garcia, Mark Haag, Kathy Harrell, Mike Hingleman, Don Howarth, Nancy Neptune, Gary Sandor and Mike Treinen are life members.

To earn life membership, students must belong to CSF for four semesters in the sophomore, junior and senior years — with at least one semester during the senior year, or students must earn a total of 60 points in those years including summer school.

Life membership pins and gold seals of diplomas are given to each senior member by the club. Scholarships from several colleges are available to life members.

This year girls outnumbered boys: of 110 members, 65 are girls and 45, boys. The seniors have 11 boys and 7 girls; honorarium members total 25 (16 girls and 9 boys); sophomores total 32 (29 girls and 12 boys); and the juniors have 35 members (22 girls and 13 boys).

Spring Valley Class Finds Current Airmail Delivery Slow But More Educational

The kids in Ed Moss's fourth grade class tried sending an airmail letter with a new twist recently.

The class at Spring Valley Elementary School learned about prevailing westerlies while studying about the weather. To learn more about westerlies, they filled a balloon with helium, attached a letter written in English and Spanish, and turned it loose.

Their form of air mail took a little longer than the regular and it was some days before they got this reply.

Dear Mr. Moss's Class,

This letter is written to inform you that your weather balloon landed in the back yard of one of the students in this fifth grade class.

We were very excited when Billy brought it in to share as we have been studying weather too. It certainly proves that the winds across our great nation are prevailing westerlies.

We agree that it was an in-

genious idea. We have heard a great deal about how wonderful education is in California and you truly must be an outstanding teacher and have an exceptionally fine class.

The weather here has been very cold this winter. Typical Oklahoma winter weather. Billy's father has framed the balloon and it hangs in the front of our classroom.

We wish you further success in the exciting field of scientific endeavors and may any other balloon you might send aloft light in places that will experience the joy and thrill we have. Happy ballooning!

MODEL CAMPUS — Mrs. Fred I. Ward, president of the area Women's Committee of the Grossmont Community Concerts Association views a model of the Grossmont Junior College campus now being built. The model will be on display at a showing sponsored by the women's committee next month. Next to Mrs. Ward is Richard Wheeler of Richard Wheeler and Associates, Architect, and Martin Gerrish, college drama director.

Grossmont Junior College Auditorium Gets Backing of L.G. and S.V. Women

Lemon Grove and Spring Valley residents will have an opportunity to aid in the building of an auditorium at Grossmont Junior College and a Lemon Grove woman is spearheading the project here.

Mrs. Fred I. Ward, a well-known civic and social figure, is "capitalist" for generating funds for the auditorium. She is president of the Women's Committee of the Grossmont Community Concerts Association.

The district plans to build the auditorium from the footlights to the back wings, but not enough funds are available for the auditorium proper — so, Mrs. Ward, and a score of ladies like her, are mounting projects to raise as much money as possible.

Mrs. Ward said, "Our group has been given an opportunity to sponsor a three day preview showing of the famous World's Fair Formica House on May 8, 9 and 10. This will be a benefit to help raise funds for the long dreamed of auditorium of Grossmont Junior College.

This display is very similar to the one being shown at the New York World's Fair. Our showhouse has been built by Stanley Scott. It is a lovely, homey, cottage type house in Fletcher Hills not far from the College site."

For further information contact Mrs. Fred I. Ward, 3346 Sweetwater rd., Lemon Grove.

Advance Enrollment Under Way For Lemon Grove Summer Schools

On Monday, June 22, nearly 1,000 Lemon Grove elementary students will report for a five-week session of summer school at three sites approved recently by the school board. The session is scheduled to close on Friday, July 24.

Advance enrollment is now being conducted in all eight district schools for students in present first through seventh grades, according to Mrs. Elizabeth Higgins and Louis Poluzzi, acting directors for the program.

Mrs. Higgins will act as principal for summer schools at Golden Avenue and Monterey Heights. Poluzzi is principal at the sessions set for Lemon Grove Junior High. These three schools will draw pupils from throughout the district.

At Golden and Monterey, daily sessions run from 8:20 a.m. to 11:40 a.m. Junior high classes are set to begin at 8:15 and continue until 11:45. Parents provide needed transportation for the five-week session. No school busses will operate.

At the elementary level, Mrs. Higgins announced that two types of courses are now offered. One emphasizes basic skills and gives pupils opportunities to review, practice, and develop in the areas of reading, writing, listening, and arithmetic.

A second type of class proposed includes all subjects as part of the curriculum but specializes on a special subject in content or aesthetic areas. They will be organized as graded or ungraded groups, depending upon demand and number of applications.

The Junior high sessions, which will take pupils from current sixth and seventh grades,

offer a variety of subjects under the departmentalized plan. Each student will enroll in any two of the subjects or classes.

These include basic arithmetic, a science-math class, reading, and world and United States history. Other classes include beginning typing, physical education classes for boys and the same subject, but stressing creative rhythm, for girls, and an arts and crafts class.

Other classes offered are English, with emphasis on drama and creative writing, and two courses in industrial arts. One of these stresses understanding of simple electronics while a second class will provide students with guidance in use of hand tools plus knowledge of characteristics of wood and metal.

Questions regarding other aspects of the summer program may be directed to the Lemon Grove Education Center, 469-4134.

House Fire Causes \$15,000 in Damage

A house under construction in the 4200 block, Mars Way, east of Avocado rd. and near Calavo Gardens, burned to the ground April 17, before Spring Valley Fire Department trucks and the State Division of Forestry trucks could reach the scene. A spokesman for the S.V. F.D. said the loss to the building was about \$15,000. Cause of the fire was given as workman pouring hot tar and the liquid exploding.

Jr. Department Store Set For Casa de Oro

V. L. Helt, vice president of T. G. & Y. Stores Co. announced this week that this firm has signed a lease agreement for a new store in Spring Valley. The store will be located in the Casa de Oro Shopping Center, to be constructed by S. P. I. Development Corporation at the intersection of Campo rd. and Kenora dr.

A named manager is Bruce Moody, of 559 Broadview, Spring Valley. Moody has served with the firm several years both in the firm's south county store and elsewhere in the state.

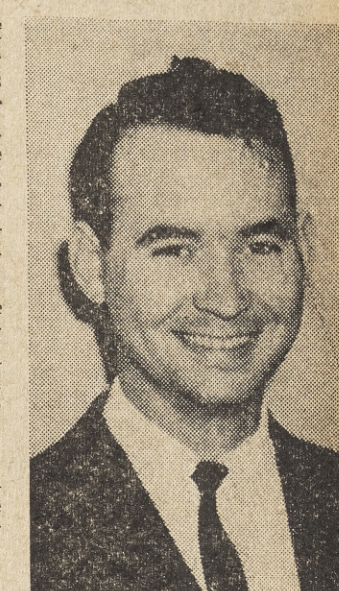

The new store will be a check-out, self-service type operation and will be designed to invite the customer to shop leisurely in air conditioned comfort. It will have the latest slim line lighting fixtures and will be equipped with the latest design of counters and equipment. There will be 12 departments and a complete line of variety-junior department store merchandise will be offered. The average employment of TG&Y stores is 7 people.

TG&Y is currently operating 323 stores in 13 states from California to Florida. Forty-three of these stores are in California.

The company headquarters is located in an ultra-modern warehouse and office building at 3815 North Santa Fe, Oklahoma City, Okla. The home facilities are contained in 272,000 square feet of modern buildings which enables TG&Y to give their stores and customers complete stocks of merchandise at all times. California Stores are served by an auxiliary warehouse in Los Angeles.

Helt stated that TG&Y is interested in opening modern up-to-date variety store units in other locations in California as rapidly as leasing opportunities are available.

Leasing negotiations were handled by Helt and the operation of the store will be under the supervision of W.W. George, regional vice president and J. M. workers.

Bruce Moody

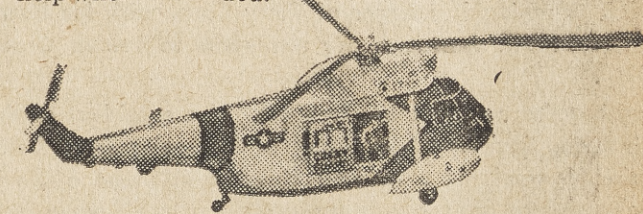

Newgent, district manager in the California area. TG&Y began after World War I when three men operating separate chains in Western Oklahoma pooled their resources. They were R. E. Tomlinson, E. L. Gosselin and R. A. Young. The first store under the TG&Y banner was opened in 1935. In 1944 all individually owned stores and combination stores were consolidated into one company. C. A. Henderson is presently president of the company and many of the employees who were active in the early years are still active in the operation of TG&Y Stores Company.

POST GIVES FLAG

Lemon Grove Post 2082, Veterans of Foreign Wars on Saturday presented four classroom 50-star American flags to the East County Center for Retarded Children at the school at 1374 Lexington, El Cajon, while the ladies of Post 2082 Auxiliary served lunch to the U.S. Marine Corps volunteer workers.

What's doing?

Maybe you read recently about that Coast Guard helicopter rescuing eleven people from the floundering *Hattie D* off Cape Mendocino. Well, if it hadn't been for a ship-to-shore telephone operator, the lucky eleven and the Coast Guard might not have gotten together. Seems that the stricken ship didn't use the regular emergency channel, and Operator Mrs. Evelyn Lubahn of Oakland picked up its "May Day" distress call over the Eureka Coastal Harbor radio-telephone channel. She promptly alerted the Coast Guard, who made the dramatic scoop from the sea. Just another case of a telephone operator giving help where it's needed.

Like good music with your TV? Then look in on the award-winning Bell Telephone Hour every other Tuesday at 10:00 p.m. on the NBC network.

"Money at work means men at work" is the slogan of Invest-in-America Week, April 26 to May 2. Investing in America may seem like a big order. But actually it's a matter of looking at it the way the Invest-in-America Council does. They say: "Our American system of free enterprise encourages saving and investment that helps to create new plants and jobs. As a result the average American has been able to produce more and live better."

Call your service representative at 466-3201 or drop by our office at 8620 La Mesa Blvd., if you would like to have a little blue book to jot down the telephone numbers you frequently call.

Next time you glance at your telephone book, try to visualize it multiplied 100-million times. Then translate what you see into 145,000 tons of paper. Now you have a picture of what goes into the Bell System's directory production job each year.

But the most important thing that goes into a telephone book is—accuracy. That's why we check every name, address and telephone number many times over before they ever appear in print.

Plans Completed For SY Kiwanis Pancake Breakfast

Plans are complete for the Spring Valley Kiwanis Club's annual pancake breakfast, according to Frank Berger Jr., breakfast committee chairman. He said the date is scheduled for June 6, in the Mt. Miguel High School cafeteria; the time, 7 a. m. to 7 p. m. Tickets will be \$1 for adults and children under 12, 50 cents. The menu will be pancakes, sausage and coffee or milk. Elmer Last, chairman of the Club's Agriculture and Conservation Committee has reported that the tree-planting program will include local churches as well as schools. The program is being held in conjunction with the observance of the 50th year of Kiwanis activities.

At the last meeting of the S. V. Kiwanis Club, guest speaker was Seri Wade, a senior at Monte Vista High School. Her subject was "Turkey Talk," and she told of her experiences as an exchange student in Turkey. She will participate in the National Speech Finals in Akron, Ohio, on June 23. Proposed Art Center

Proposed LM Art Center Gets Backing Of Foothills Artists' Association

L. T. "Bud" Shackelford, president of the Foothills Art Association and member of the Citizens Advisory Committee said this week that a proposed art center in the Foothills area, to be located in La Mesa. The proposal, drawn up by the Citizens Advisory Committee, suggests the center be either part of future park development or a separate facility. The center not only can serve this area (Spring Valley, Lemon Grove, La Mesa, and El Cajon) but can be opened to the persons from other parts of San Diego County.

The Culture Center, Shackelford said, should have a fine

arts gallery as its nucleus, with a separate auditorium for music and theatre. La Mesa and the Foothills area right now is the "unrecognized" Art Center of San Diego, Shackelford pointed out. The Foothills Art Association, with a membership of approximately 300, includes some of the finest painters, sculptors and instructors in San Diego County. Shackelford said. Members not only live in the Foothills area, but in all other communities in the county and out-of-county.

Shackelford said the present gallery doubles as an auditorium filled with permanent chairs (theatre seats) and is used by many groups, including children. Therefore, he pointed out, it is impractical to insure for valuable art showings. Also, he added, the gallery is open to the public only on a limited

weekend basis, Saturdays and Sundays, 1 to 5 p. m.

Shackelford said that the nucleus of the Cultural Center (the new La Mesa Fine Arts Gallery) should be a beautiful multi-room building, architecturally designed for the proper display of fine art pieces, sculpture, etc., spacious and well-lighted inside, and it should be staffed and open to the public six days a week.

"It should be stressed," Shackelford concluded, "that the theatre and music activities should be an important part of the Cultural Center, and that a large auditorium could be incorporated as a wing of the Fine Arts Gallery, or as a separate building. The use of a major auditorium could also attract many other cultural programs, and other group programs to this area."

FIRST PEEK SUNDAY AT MONTE VISTA LODGE

The Board of Directors for Monte Vista Lodge, a state licensed retirement facility near completion on Massachusetts ave. in Lemon Grove, has announced that model apartments will be available for inspection Friday and Saturday.

An interesting feature which will be displayed in the models is the use of an exotic African Mahogany in the folding room dividers.

Noel Tweed, presidents of the board of directors and partner in the La Mesa planning firm of Tweed and Gambrel, contracted with the local office of the Georgia-Pacific Corporation, to procure enough Okoume hardwood to construct 150 7x8 foot folding doors.

The exotic species of mahogany from French Equatorial Africa will be fabricated into folding doors for installation at the lodge.

The 150 foot high Okoume trees were felled in the interior and floated down river to the African West Coast. From there they were shipped to Israel where the five foot thick logs were rotary cut and fabricated

into laminated sheets. "It's also probably one of the hardest light weight woods in the world," Tweed said. "The doors in which it will be used are actually room dividers."

When completed, Monte Vista Lodge will house 260 residents in apartments of varying sizes on a 1 1/2 acre tract in Lemon Grove.

The 18 dwelling units, two dining rooms, pool and putting green are scheduled for completion next July.

Wives of Windsor Aid Building Fund

The associated students of Grossmont College have voted to donate all proceeds from the Griffin Players' next production to a fund for building an auditorium on the new campus in Fletcher Hills.

Shakespeare's "Merry Wives of Windsor" will be presented May 20-23 at the El Cajon Little Theater. Curtain time is 8:15.

The contribution will be added to that of the fund-raising campaign now being prepared by the Women's Committee of the Grossmont Community Concert Association. Mrs. Jack H. Knowland, committee chairman, and 40 team captains, recently announced plans for a fund-raising preview tour of "The World's Fair Home," now under construction in Fletcher Hills.

Tickets for the preview tour and door prizes, which include a jet trip for two to the fair, will be sold at the Grossmont College Student Affairs office, as well as by members of the concert association. The preview tour will be held May 8, 9, and 10.

The cast for the final Griffin Players' presentation of the year was selected this week. Included in the cast are Richard Wagler, Lemon Grove; Bernice Falker, Spring Valley; and Bob Hurt, Spring Valley. Also John Anderson, Spring Valley; Richard Snyder, Spring Valley; Tom Shea, Lemon Grove and Kay Skeritt, Spring Valley. Drama Department chairman Martin Gerrish will direct, assisted by Lois Scavo of El Cajon and stage manager Mark Sanders of Spring Valley.

Special Class Begins For Retarded Minors

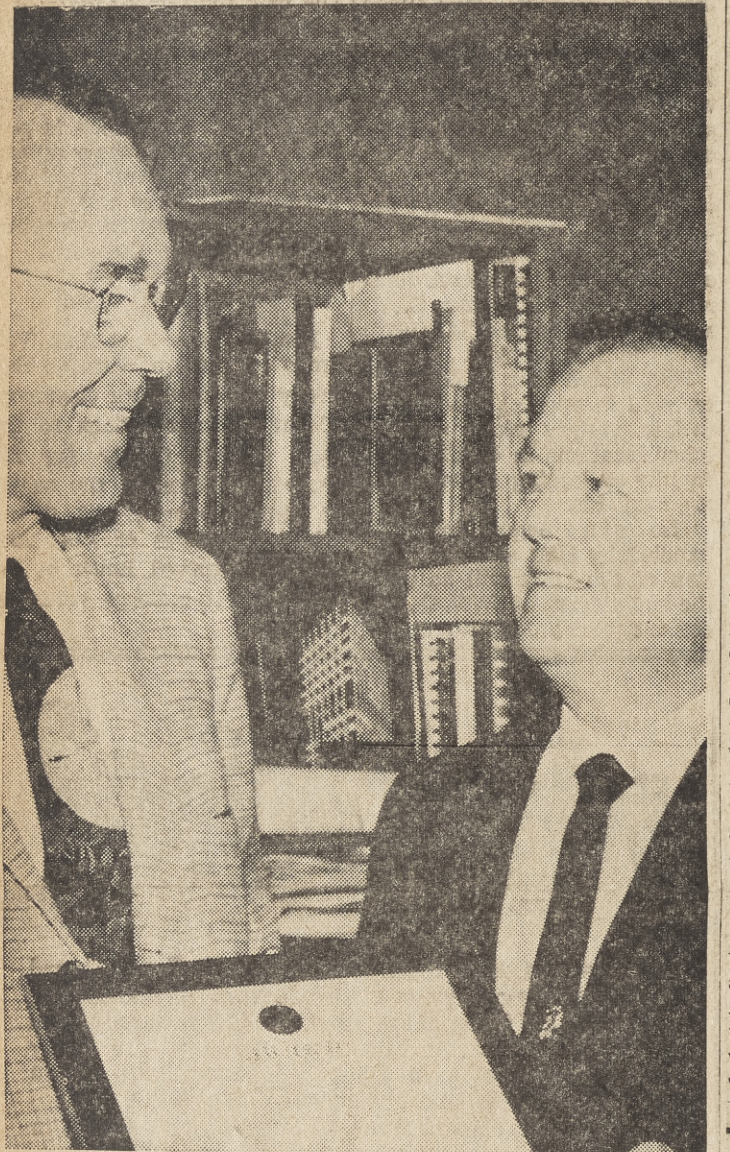

An experimental class for trainable mentally retarded minors opened April 13 in the Angels Unaware Center, 1374 East Lexington ave., El Cajon. The law requires that such a class be set up by September, and the class conducted by the Grossmont Union High School District has been set up ahead of time to enable the district to experiment somewhat with curriculum, method of operation, and feasibility of the plan. So that the program in September can begin on a firm basis. School hours will be from 9 a. m. to 2:30 p. m.

Twenty-five students have qualified on the basis of careful testing and study, and twelve of them will be in the experimental group. A second group will start in September. A full-time matron is needed, but for the spring session, Nickolas Mallek, director, says voluntary help is being sought. Instruction will deal with grooming, social adjustment, communication, housekeeping and gardening, leisure time activities, safety and health, and shop.

The film, a zany comedy, features Spencer Tracy, Milton Berle, Sid Caesar, Ethel Merman, Eddie Adams, Jimmy Durante, Mickey Rooney and other great comedians.

Civil Service scholarship examinations, scheduled July 12. Kuchel's selections are based on results of these tests.

Kuchel does not have any vacancies next year in the Military Academy at West Point but he will make six nominations at both the Naval Academy, Colorado Springs. He also is entitled to propose 10 youths for the Merchant Marine Academy, Kings Point, N. Y.

There's A Big, Big Difference In DISCOUNT Shopping!!!!!!

DISCOUNT PRICES ON "U.S.D.A CHOICE" MEATS

The quality of meat is reflected in the official government grading it has been given. Meats of superior quality are graded and stamped "U.S.D.A. Choice." Markets handling grades of meat not good enough to be given this grade make a practice of coining names for the grades they sell.

Be warned — these names clearly indicate the meat is not government-graded "U.S.D.A. Choice"! Bradshaw's sells "U.S.D.A. Choice" beef exclusively. And Bradshaw's is the only discount super-market in San Diego that does sell "U.S.D.A. Choice" exclusively.

DISCOUNT PRICES ON FAMOUS BRAND FOODS! ONLY THE PRICES HAVE BEEN LOWERED...THE QUALITY OFFERED REMAINS THE SAME!

What Bradshaw's does feature is low, low prices throughout the entire store — every single day, every single week. You can shop for as little as a single week end, but still your savings will be fantastic! Make this the week that you discover the big, big difference between other markets and the new Bradshaw's discount super-markets. *Dairy products and Fair Trade items excepted.
